Explanations: Total, dimension and criterion level performance is indicated by company score. Percentile ranking, average and best scores are presented for comparison, together with the lowest member score of each index, all within the same industry. For each row, weightings are shown in the last column as a percentage of the total. All values are on a scale from 0 to 100. Further information on the assessment methodology can be found on [www.sustainability-indices.com](http://www.sustainability-indices.com)
